Dear Parents,

Snow & Ice Plan

We hope that we will not experience adverse weather this winter; however, we would like to inform you of our ***Snow and Ice Plan*** should such conditions occur.

Should the school need to be closed due to extreme weather conditions you will be informed via the following methods of communication:

- the school website www.kempshottinfants.com
- the Hampshire County Council website – following links for 'school closures'
- an email message will be sent.

Please note however, that some networks experience delays during peak times and the message may take some time to be delivered to you.

Please ensure you check these platforms if you suspect the school may be closed.

When the ground is covered in snow and/or ice but the school is open, we will notify you by email that morning with the accessibility of the school entrances.

Kind regards,
Kempshott Infant School
