

KEMPSHOTT INFANT SCHOOL

LEARNING TOGETHER, ACHIEVING THE EXTRAORDINARY!

March 2022

Special Educational Needs and Disabilities (SEND) Update

SENDCo Surgery

Just a reminder that we run a SENDCo surgery once a half term. This is an opportunity for you to discuss any concerns you have about your child's progress or development. Please be aware that SEND does not just relate to learning development or physical disabilities but also to social, emotional and mental health difficulties too. The next SENDCo surgery is on **Wednesday 6th April**. If you would like to book an appointment, please contact me directly on s.clarke@kempshott-inf.hants.sch.uk.

'Nurturing Neurodiversity' Support Group

It was lovely to see some of you at our first parent support group a few weeks ago. Everyone who attended shared how positive they found it. This group is aimed at parents of children who are neurodivergent (autistic/have ADHD/are dyslexic/have sensory processing differences etc.) and is an informal chat...with tea and biscuits!! Our next meeting will be on Friday 29th April at 9am. If you are a parent of child who is neurodivergent/you suspect may be neurodivergent and would like to join us, please let me know at s.clarke@kempshott-inf.hants.sch.uk so that I can make sure we have enough biscuits!
