*LEARNING TOGETHER, ACHIEVING THE EXTRAORDINARY!*

July 2022

Dear Parents

I am pleased to tell you that the full Section 5 Ofsted Report from our two day inspection on the 24<sup>th</sup> and 25<sup>th</sup> May accompanies this letter. It is also available on our [website](#) and will be released on the Ofsted website within the next 8 days.

I am delighted to confirm that Kempshott Infant School is a “Good” school.

***“Respectful relationships are at the heart of this school.” (Ofsted May 2022)***

I am very proud of our school and would like to thank everyone that took part in the inspection. Thank you to the parents who found the time to fill out the Parent View survey or to talk to the inspector in the playground at drop off.

Thank you to your fantastic children who are a credit to you and to our school.

Thank you also to our governors who give up their free time to support and develop the school. Their hard work is invaluable to the continued success of Kempshott Infants.

“On behalf of the Kempshott Infant School Governing Body, I welcome this report from Ofsted. We are extremely proud of our School and the local community it sits at the heart of. We echo the comments about the school being supportive, inclusive and focused on a partnership with yourselves as parents and carers. The Governing Body recognises the areas for development and is already working with Mrs Potter to incorporate these into future planning”  
(Jamie Mackay, Chair of Kempshott Infant School Governing Body)

Finally, thank you to all our school staff whose hard work and dedication is reflected in this incredibly positive report. They go above and beyond every day to ensure that the children get the very best from their time in our school. I am exceptionally lucky to have such an amazing team.

Best wishes

Nicola Potter
