

Digraphs and Trigraphs

A digraph is two letters that together make a single sound.

e.g. **ph** in **photograph**

A trigraph is three letters that together make a single sound.

e.g. **igh** in **night**

Below please find a list of the digraphs and trigraphs your child will be learning in school.
Any help and encouragement you can give at home to learn these would be very much appreciated.
