## Year Group News

### Year R

This week Year R have been learning to login on the Chromebooks and then had fun experimenting using a paint app. In Music, they have continued to talk about high and low pitches, using this to act out how a seed grows.

They had fun in PE, playing tag rugby and the children enjoyed cheering on their friends. In preparation for World Book Day, the children have been making different book characters in the Shared Area, including the Runaway Pea.

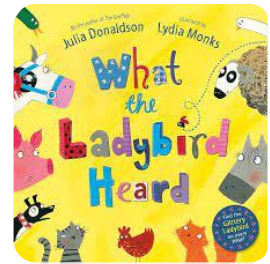

### Year 1

This week Year 1 children have been exploring a new story called "What the Ladybird heard" and writing sentences using adjectives to describe the animals in the story.

In Maths, the children have continued adding one and two digit numbers.

In Science, the children have been exploring carnivores, omnivores and herbivores.

In Music they have been looking at rhythm and in PE the children have been practising their cricket skills and learning to bowl a ball overarm.

### Year 1 Spring Show Reminder

Year 1 will be performing their Spring show 'Hats Off!' on **Tuesday 19<sup>th</sup> March and Wednesday 20<sup>th</sup> March at 10am**. Limited additional tickets will go on sale next week. Please look out for an email shortly.

### Year 2

Year 2 had a great week! They thoroughly enjoyed Design and Technology.

The children tasted fruit and vegetables, practiced the skills they would need to design and evaluated their salad in a jar for a guest on the Titanic. In Maths, the children have been working on mental maths and have used a variety of strategies when solving number sentences. The children loved their 'Move it Monday' with Lynsey.

Wow! Thank you to all the parents who helped their child in Year 2 to make a Titanic model.

We had some made from card, clay and lego. There was even a Titanic with real life smoke coming out of the funnels! We hope you enjoyed completing this task with your child.

*Thank you from the Year 2 Team*
