

Spotlight on our School Lottery

Did you know that alongside our cake sales, discos and fairs, the KSA also run a school lottery that helps us raise money and make a difference for our children?

With a ticket cost of just £1 and a significant portion of the proceeds going directly to the school and prizes, it's a win-win situation for all participants.

Plus, the exciting chance to win a £25,000 grand prize adds an extra layer of thrill to the experience (anyone else dreaming of that extension since the house has got progressively smaller since the arrival of kids?!). Who knows what could happen...but you have to be in it to win it!

Anyone can purchase tickets (i.e. not just parents with children at the school but grandparents, friends of the school etc. too).

All the money raised from the sale of our school lottery tickets raise funds that can support and enrich the education of our children. These funds are there to provide extra resources for the children, improve the school environment, as well as provide those 'little extras' that make school memorable, such as leaver's gifts for our Year 2's and Year 6's.

How the lottery works:

The cost is £1 per ticket and you can sign up here:

For every ticket you play, 74.2% goes to our school and prizes.

And don't forget, on top of that, there is a £25,000 grand prize if you match all 6 numbers and you win the JACKPOT!

So what are you waiting for?
