

Dear Year R Parents,

As part of our topic 'Pirates and Under the Sea' Year R will be having a pirate theme day on **Friday 10th July**.

Children will have the opportunity to become pirates for the day, where they will engage in fun activities including a pirate treasure hunt and learning sea shanties.

As part of this exciting day, we would like the children to come to school dressed up as pirates to help them get into character. **Please do not feel obliged to buy a new full costume**, a simple t-shirt with a bandana or pirate accessories will be more than sufficient. We hope the children will enjoy this day as much as we will.

We kindly ask that the children do not bring in any form of sword and to wear shoes that they can do up independently i.e. not shoe laces.

If you have any questions please speak to your child's teacher.

Thank you for your continued support.

Year R Team
