Cycling Summer Courses

Bikeability is the government's national cycling programme. Our courses are tailored to ability level, starting with playground-based sessions for beginners and progressing to on-road training as riders gain confidence and skills.

Our courses are run by experienced, qualified instructors at various venues across the county, including:

- Fareham
- New Forest
- Fleet
- Winchester
- Waterlooville
- Basingstoke

Locations and courses are constantly updated. To see if there is a course near you and make a booking, **please scan the QR code.**
