Dear Parents,

Year Group News

Year 2

This week in Year 2 the children have been adding bright colours to their artwork inspired by Romero Britto, maybe you could create some pop art style art together at home. In English they have been learning about nouns and adjectives and how to use noun phrases to describe things in a picture. In Maths the children have been comparing numbers using the greater than and less than signs.

Year 1

Year One have had a brilliant week! This week in Year One, we have been poets! The children have been writing rhyming poems about different animals and the rhyming nouns they might sit on, inspired by the story 'Oi Frog!'. Can your child think of an animal rhyme? In Maths, the children have been working on one more and one less than a number. In PE, the children have been practising their jumping skills and in Music, the children have been learning about the beat and tempo of a piece of music. Can your child remember what these mean?

Year R

It's been another fantastic week in Year R! They have had lots of fun creating self-portraits using mirrors to carefully look at and paint their different facial features. The children were very excited to visit the hall for the first time for their first PE lesson, where they explored different movements and practised getting into a variety of positions. It has been lovely to see the children beginning to make new friends and grow in confidence each day. Well done, Year R!
