

## YEAR 2 – TITANIC HALF-TERM ACTIVITY INFORMATION

Year 2's topic is 'Sink or Swim' and they will be learning all about the Titanic. The children will be discovering how and why the Titanic sank, as well as lots of other facts. We would like the children to be creative at home and build their own Titanic model (no larger than shoe box size please)! The children could use any spare boxes and empty tubes (kitchen rolls, wrapping paper), Lego or wooden blocks...or something else! Be as creative as you wish!

**We would love to receive their models in school on Friday 1<sup>st</sup> March.**

If the model is too large for your child to carry, please take a photograph of it and send this into school.

Thank you for your support with this activity.
