

# KEMPSHOTT INFANT SCHOOL

LEARNING TOGETHER, ACHIEVING THE EXTRAORDINARY!

28<sup>th</sup> November 2024

Dear Parents,

We have introduced a program to all year groups at school called myHappyMind. myHappyMind is all based around helping children to understand how their brain works and to support them in developing positive skills and habits to be their very best selves!

myHappyMind will be delivered in school by the class teacher through a series of interactive lessons and then the children apply what they have learnt throughout the day.

To further embed this learning, myHappyMind has developed a Parent App. These resources can be accessed online on your computer, or through an app on your phone. The Parent App will support you as a parent in understanding what your child is learning, give you activities for you to do together at home and also has a Kids Zone featuring myHappyMind games plus much more!

To access these materials just go to <https://myhappymind.org/parent-resources> to create your free account. You will need to enter your name, email, and authentication code.

Please contact the school office for a copy of the authentication code.  
Or simply scan this QR code to sign up

Once you have created your account, you will receive an email with the next steps on downloading the app.

We really encourage you to make use of this free content so that you can support your child in getting the best out of the curriculum. If you have any questions about myHappyMind, please contact your child's class teacher.

If you have any technical questions about accessing the resources, please contact [hello@myhappymind.org](mailto:hello@myhappymind.org)

Would you like to learn more? Check out myHappyMind founder Laura Earnshaw's best selling book on [Amazon](#).

Yours sincerely
