Dear Parents,

Year Group News

Year 2

This week, the children have enjoyed looking at pictures and gathering lots of exciting adjectives. They used their imagination well and could use the adjectives in sentences to make them more interesting. In Maths the children have continued to work on place value when ordering numbers, sequencing numbers and finding the missing numbers. In Art, the children learnt about Romero Britto who uses features of cubism and pop art in his work. The children created their own work in his style. They were very colourful! The children enjoyed yoga, stretching and relaxing. Ask your child if they can show you the fish pose!

Year 1

Year One have had a busy week! In English, the children have been exploring rhyming words using the book 'Oi Frog' and worked hard to write their own rhyming poems. In PE, they have been practicing yoga and have learnt a variety of poses. Can your child show you the lion pose?

In Art, the children have been focusing on facial features and practicing their drawing skills, paying close attention to detail. This is all in preparation for creating their own portraits inspired by the imaginative work of artist Giuseppe Arcimboldo.

Year R

This week our Year R superstars have really settled into school life! They've been busy making new friends and showing off their growing fine motor skills. In Art, the children loved painting self-portraits – taking their time to add all the special details that make them unique. P.E. in the hall was full of energy and smiles, with plenty of stretching, jumping, and of course lots of speedy running!

School Photographs – Deadline approaching!

The school photographer will be at school next **Thursday, 25th September**. Please remember if you would like to have siblings that **both** attend the **Infant School** photographed together, please complete the Google form; <https://forms.gle/b1ZagyYapwjj4MaEA> by 22nd September

Children starting school in September 2026

Is your child due to start school in September 2026? Please visit our website [Parent Tours for September 2026](#) for our School visit dates and online booking information. Applications will open for Hampshire residents on 1st November 2025. More information can also be found on www.hants.gov.uk/admissions.

School email: kisinfo@kempshott-inf.hants.sch.uk

We have recently received several emails via the school admin office email. We would like to take this opportunity to respectfully remind you of our procedures for contacting the school.

For non-urgent matters, please ensure you use our dedicated school email address (noted above). When sending an email, it is very important to **include your child's full name and class in the subject line**. This helps us to direct your query to the appropriate member of staff efficiently. Please add this email address to your contact list and share with your wider family.

Please note, use of the adminoffice email address is not advised as this is not constantly monitored and your mail may get lost amongst the many external messages our busy school office receives.

For end of day collection requests or urgent messages, it is always better to telephone the school office using our dedicated telephone line 01256 461795. 📞

Thank you for your cooperation and support in helping us manage communication effectively.
