

Parking Around the School – A Continued Safety Concern

We are once again receiving complaints about dangerous and inconsiderate parking near the school, which is making it difficult—and unsafe—for children to cross the road.

We would like to remind all parents and carers to **park safely, considerately, and in line with the Highway Code**. The vast majority of you do this already, thank you to those who consistently follow these guidelines.

Despite our efforts to improve safety, including:

- Submitting two applications for a school crossing (both unfortunately refused),
 - Purchasing safety signage (which we were later informed we cannot use by the Highways Agency),
- We are still facing ongoing issues.

Please note that the school is not responsible for enforcing parking regulations. If you witness unsafe or illegal parking, we kindly ask that you report it directly to Hampshire County Council, not the school.

You can do this by completing their online form:

 [Report a Parking Contravention](#)

Let's work together to protect our children and ensure a safer environment for everyone.

Thank you for your support.
