

✦ KSA Weekly Update ✦

Fundraising Totals 2024-2025:

After a year of fantastic events and some very generous matched funding, the committee are delighted to confirm that the KSA is giving £5000 to each school to be spent on exciting new equipment for our children. Thank you once again to our parent community for your support and generosity.

Importantly, as the KSA is a registered charity, if your employer offers matched funding for charities, please do get in touch with the KSA at ksaevents10@gmail.com. We'd love to hear how you may be able to support our fundraising efforts across the current academic year, which will enable us to raise even more funds for our schools.
