

Remote Education Provision Parent Information

This information is intended to provide clarity and transparency to pupils and parents about what to expect from remote education if local/national restrictions require cohorts (or bubbles) to remain at home. For details of what to expect where individual pupils are self-isolating, please see the final section.

How long can I expect work set by the school to take my child each day?

We expect that remote education (including remote teaching and independent work) will take pupils broadly the following number of hours each day:

EYFS – Year R 2 hours

Key Stage 1 – Year 1 and 2 3 hours

How will my child access any online remote education you are providing?

We will use the following platform to provide online learning: Google Classes

If my child does not have digital or online access at home, how will you support them to access remote education?

We recognise that some pupils may not have suitable online access at home and for those children we will provide paper copies of the work. Please contact the school office if you require this.

How will my child be taught remotely?

We use a combination of the following approaches to teach pupils remotely:

- Live lesson on Google Meet
- Recorded teaching by the class teachers alongside live Meet sessions. Follow up work will be posted for the children to complete.
- Recorded teaching - Oak Academy
- Use of Purple Mash, Oxford Owl Library.
- Commercially available websites supporting the teaching of specific subjects or areas, including video clips or sequences.

You will be provided with a timetable to follow. This will include all the lessons your child would cover in a school day.

Phonics – Alongside the activities given in this section, phonics learning can be supported by a number of websites:

Mr Thorne's Phonics - http://www.youtube.com/channel/UC7sW4j8p7k9D_qRRMUsGqyw

Phonics Play - <http://www.phonicsplay.co.uk/>
